

tuneBugz! Newsletter

May 2026

Happy May friends!

June is right around the corner so we put together this newsletter to give you class updates, break dates, and discuss how to make the most of your membership. If you have been counting down the days to summer like we have, this one is for you!

Important Dates for Summer

Time to mark your calendars!

Important Dates

Sunday class makeup dates for Easter & Mother's Day	May 31, 2026 to Jun 7, 2026
Maracas collection ends	End of May
EARLY Summer Break	Jun 1, 2026 to Jun 15, 2026 No classes during this time! (except June 7th)
Classes RESUME: Hello Kazoo Collection	Jun 16, 2026

- **Kazoo Collection music download/access codes** will be released to parents via confirmation email/[Parent Portal](#) on June 1st.
- Exact future class meeting dates (for the next few months) are available when you click on the day/time from the [website](#) or from the SCHEDULE TAB in the [Parent Portal](#).

New Music Alert: Here Comes **Kazoo Collection!**

We'll begin learning the **Kazoo Collection** of music when we return from break on **June 16th**.

You and your family will get:

- Fresh songs for enjoying - in the car, on the go, and even on the plane by June 1st (using the Music Together app)
- Fresh energy for moving your bodies to the beat! We've got pony songs, splishing and splashing songs, cat songs, drumming songs, frog songs and so much more!
- Musical variety that grows with each developmental milestone.
 - Please note that some kiddos may want to continue listening to Maracas songs and that's OK! Just try to start introducing Kazoo songs in the mix as soon as they don't object! LOL!

Makeups & Bonus Classes

If you need to miss class for things like travel, illness, or just life... no worries!

- While actively enrolled, you can schedule **unlimited makeups** (space permitting).
- Please note that if you elect to take a break or drop, no makeups or bonus classes are available since you are opting out of tuition.
- Did you know you can book bonus classes? You can! If you have a light week and want to get in extra class repetitions, you can! We never want to turn anyone away from wanting to practice MORE!

Why do we offer bonus classes at no extra cost? Because Ms. Amber knows that while they are this little, *“the days are LONG but the years are short!”* Membership comes

with perks, y'all!

How to schedule makeups OR bonus classes: Use the [online makeup scheduler](#) as soon as possible after a missed class, but you can also use the same online make-up scheduler if you just want to take in a [bonus class](#) now and then just leave the missed class date blank in the scheduler for bonus classes - easy peasy!

Monthly Tuition & Auto-Enrollment Reminder

Your monthly fees (\$123 for one child or \$148 for 2 siblings) cover your membership for the whole month, regardless of how many times your specific class meets that month.

Depending on your class day/time and depending where holidays/breaks land, your class might meet as few as 2 times or as many as 5 times in a month. If you want to be *sure* you're getting the number of classes you want in a given month, the simple solution is: **Watch the schedules closely, schedule makeups/bonus classes to get more bang for the buck!**

NOTE: All families are **automatically enrolled in the same class each month** unless you **A) Notify us that you want to change classes OR B) Give us at least 30 days' notice that you need to DROP/PAUSE.**

How to Pause or Drop & Which is Right For You?

Asking to PAUSE (means you keep your seat in your class!)

If you will be out for most of a month, you may want to just pause your membership temporarily. Make sure to let us know at least 2 weeks ahead (especially before the 1st of the paused month so you don't get charged tuition for the month you intend to PAUSE.

The pause is a full month, from the 1st to the 30th / 31st , and no makeups can be done during the pause. You get to skip the tuition, take a full month off, and return to your seat in your class on the 1st of the next month!

Some things to note about the PAUSE:

- We only allow a **MAX of 2 pauses per calendar year**.
- Email director@tunebugz.com at least 2 weeks before the month you will be out but a month notice is preferred.
- Let us know by the 15th of the month before you wish to drop.
 - For example:
 - Notify by May 15th to PAUSE for month of JUNE
 - Notify by June 15th to PAUSE for month of JULY
 - Notify by July 15th to PAUSE for month of AUG, etc...
- You CAN still drop into any class while you are on break - you can pay for a single \$25 drop in (must use the [drop-in scheduler](#)) to do music class while you are PAUSED.

Asking to DROP/CANCEL (gives up your seat in your class and you will need to re-enroll to rejoin.)

Drops need to be handled a FULL MONTH+ in advance to avoid being charged for your final month with us. Your final month's tuition is already covered! We collected that when you enrolled so we don't want you to accidentally pay for the last month so we need lots of notice because we need time to apply the 'last month' credit to your final 30 days of class. Email notice to: director@tunebugz.com.

Timing examples to think about if you are planning to DROP:

- Let us know by May 1st if your final month will be June.
 - Since we charge tuition on June 1st - you will want to apply your deposit to June instead of paying for June.
- Let us know by June 1st if your final month is going to be July.

- Let us know by July 1st if your final month is going to be August... and so on.

Classroom Reminders

For the BEST class experience - *thank you* for helping us uphold our FAMOUS chill but fully-present musical vibe! Here are a few

quick reminders that keep our classes focused, magical, high-quality, and music immersion oriented:

Pro-Social Reminder #2

No food/snacks/drinks in the studio (water, baby bottles and/or nursing are fine).

Snack time really interferes with music making, can cause choking or flare up a little friend's allergies.

Pro-Social Reminder #1

Phones/cameras off and put away during class (photos/videos can only be snapped with permission - before/after class).

Please alert your Nannies!! Many are showing us they really don't know it's **not allowed** and we don't want to be the bad guy! Your nannies (and all parents) should be **IN THE MOMENTS** with children. 😊

Pro-Music Reminder #3: Our class is a MUSIC immersion class, so please try your best to do all your most joyful singing, dancing, music-making with very little (if any) talking. A quick whisper to a neighbor is okay and we know you need to give some instructions to kiddos (*especially around things like safety issues*). With that in mind, **PLEASE** never talk over the teacher or carry on conversations as it really takes away and diminishes our musical experience. **Your child is learning from your behavior whether or not it's ok to talk during a musical performance or while a teacher is teaching/singing/instructing.** Yikes! No bueno!

We love that our classes bring together so many families and create musical community, and we of course recognize everyone's desire to start coordinating playdates and talk about all the things right away but, in order to keep our little learners engaged, please meet up early, stay late, exchange numbers and make a plan to see these friends outside of class. This helps you make a friend you can text later in the week - AND keeps our classes **PURELY MUSICAL!**

With gratitude,

Ms. Amber & the tuneBugz! team
